REQUEST FOR CORRECTED FILING RECEIPT

Dear Sir:

The corrected filing receipt has been received from the Patent Office in the above application.

An error still appears in that the serial number of the Russian priority application number is incorrect as shown on the attached copy of the filing receipt. Reference is made to page 3 of the Combined Declaration & Power of Attorney filed on December 18, 2001 as well as the title page of the PCT international application, which shows the correct serial number, i.e. 99100666.

It is believed that no fee is due since the correction is not due to any error by the applicant and issuance of a corrected filing receipt is respectfully requested.

Respectfully submitted.
